

15 November 1952

*Handwritten signature/initials*

I remember well our being associated in a most interesting enterprise and I have always wanted to make your personal acquaintance. Certainly I shall do so the next time I get to [redacted] and trust that you will let me know when you come to Washington. I am looking forward to reading the manuscript enclosed with your letter. Unless you let me know to the contrary, I shall keep it in my files.

Sincerely yours,

30
